

Vision Trip 2023

*Refocus your vision with the **TRIP** of a lifetime to Africa!*

Don't miss this opportunity to improve your *vision* for the work of *Every Child Ministries*. A trip to Africa in January 2023 will *clear up* any questions you have, and help you *focus* more clearly on *your role* in bringing *hope, help and dignity* to African children!

Dates: January 30 – February 13, 2023

Cost: \$4100 per person (may vary slightly based on airfare and exact departure location)

What is the proposed itinerary? At this time, our plan is to visit ECM ministry projects in Tororo, Gulu, and Napak, as well as Kidepo Valley National Park (wild game reserve), Sipi Falls at Mt. Elgon (coffee plantation tour), and Jinja (Source of the Nile River). Visits to Bwindi Impenetrable National Park and/or Mgahinga Gorilla National Park for Gorilla trekking are available for an extra cost as well as added days on the trip. Two days of medical clinics are also being planned, which all team members will be a part of, even those without medical training.

What is the goal of the trip? This trip will give you a firsthand, personalized view of ECM's ministry to children and their caregivers. You will visit village homes and build relationships with Ugandan families as well as ECM staff. ***There is no brochure, video, or newsletter which can make these places come alive like a personal visit!***

Your ability to touch lives in meaningful ways will be enhanced beyond your imagination through face-to-face encounters with the children of Africa. Their needs will be made more real than ever, your understanding of why ECM exists will be strengthened, and your role in the ministry will be made clearer.

Are children allowed? Yes, in some circumstances. Please contact our office if you would like to bring children (18 years old and younger) on the trip. The cost for children is approximately 80% of the adult cost.

Is the size of the group limited? Yes, each trip is limited to 12 participants.
