Next Step Curriculum Development

The Next Step program is now being implemented in all three countries where ECM works. Building on the curriculum that has been developed in Uganda, called Crossroads, our goal is to develop full Next Step Crossroads curriculums in Ghana and eventually Congo, and to implement staff trainings and student workshops as needed.

- Curriculum Development and Implementation: $5500
- ECM portion of Next Step student educational and training needs: $5500

Our goal is to raise a total of $11,000 in 2019-20 to develop the curriculum for our Next Step Program and train our staff.

Emmanuel is thankful to be completing his last year at the University of Ghana, where he is studying agriculture. This is possible because of ECM’s generous sponsors and donors!
